24st Research Seminar: “Crisis in Transition”

**organised jointly with
Centre for the Study of Economic and Social Change in Europe,
SSEES, University College London &
European Association for Comparative Economic Studies**

Call for Abstracts / Papers

The 24st MET Workshop will be held at UCL, London

On Friday, 8th of January 2010

All papers on macro and micro aspects of economic transition and economic integration in CEE, fSU and China are welcome.

HOWEVER: We are particularly interested in comparative research on the factors that made the impact of the current crisis more serious in some countries than in the others, including the institutional setup.
